

Stock Recorder Installation Guide

The memory stick you received contains FarmWorks by Shearwell Data, Stock Recorder installation software, and user manuals for both programs.

1. Connect the cradle

- ▷ Turn on the Stock Recorder by pressing and holding the power button.
- ▷ Place the Stock Recorder firmly in the cradle.
- ▷ Attach the two leads in the back of the cradle.
- ▷ Plug the power lead into a wall socket.
- ▷ Plug the USB lead into a USB port on your computer. The green light on the stock recorder should start to flash.

2. Install the program on your computer

- ▷ Eject the stock recorder out of the cradle.
- ▷ Insert your FarmWorks by SDL memory stick into a USB port on your PC.
- ▷ Click on the Start button, then click on **File Explorer**. Find the USB drive.

- ▷ Open the FarmWorks USB. Double-click on **FarmWorksSetup.exe**.

- ▷ Allow the app to make changes to your computer.
- ▷ The first page is the FarmWorks Installation Wizard. Click **Next**.
- ▷ On the second page, if this is a new installation then click **Next**. If it is an upgrade then you must do a data transfer from the stock recorder or FarmWorks Mobile before you proceed.

- ▷ On the License Agreement page tick the box to Accept, and click **Next**.
- ▷ Select components and click **Next**.

- ▷ When you are ready to install, click **Install**.
- ▷ Click **Finish** to exit the installation program. Eject the

3. Make a connection

Windows Mobile Device Center is the program that links your stock recorder to FarmWorks on the PC.

- ▷ Push the stock recorder firmly into the cradle. The Windows Mobile Device Center should open. If it doesn't open, then search for it by typing *Windows Mobile* into the search function.
- ▷ Double click on **Windows Mobile Device Center**.

- ▷ The Windows Mobile Device Center screen will open.
- ▷ Select **Connect without setting up your device**.

Look for the big green tick that shows your stock recorder is connected.

IMPORTANT! Your stock recorder will not work until you export your farm details from FarmWorks. Read the stock recorder Quick Start guide to learn how to do a data transfer.
